

LICENSING REWARDS PROGRAM 2025

PPRBD is paying the license renewal fees for all contractor licenses and registrations (excluding Fire licensed contractors) that have met the following criteria:

- Contractors that are licensed or registered with PPRBD and have maintained an active status for the past 3 years, and
- Contractors without A-Status permits. An A-Status permit is an administratively closed permit, which has been inactive for 180 days or more.

Contractors against whom late fees and, or penalties have been imposed by PPRBD do not qualify for this Licensing Rewards Program.

If you have any questions, feel free to contact Contractor Licensing at 719-327-2887.

Sincerely,

Contractor Licensing
